

# Mohd Nouman

## Software Developer

### PROFILE

I'm motivated and self-learning Computer Science graduate with hands-on knowledge of HTML5, CSS3, JavaScript, C++, Data Structures & Algorithms, and basic Python. Interested in Frontend Web Development and building interactive, user-friendly websites and web applications. Experienced in developing personal projects using HTML, CSS, and JavaScript and managing projects using GitHub. Quick learner with a strong interest in improving programming and problem-solving skills and starting a career in the software development field.
